INTERNATIONAL SUPPLIERS CONFERENCE 2025

New Gen Raw Materials for Construction Chemicals & Dry Mix Mortars

Date: 19th-20th, May 2025

Venue: **TAJ The Trees**, Pirojshanagar, Off. Eastern Express Highway,
Vikhroli (East), Mumbai-400079

About SCC

The 5th edition of International Conference of Suppliers to the construction chemicals industry is organized by Construction Chemicals Manufacturers Association (CCMA), this two-day event will bring together the leading manufacturers and suppliers of construction chemicals in India. The conference will be held on 19th and 20th May 2025 at TAJ The Tree, Mumbai.

FOCUS

New Gen Raw Materials for Construction Chemicals & Dry Mix Mortars

Specialty additives to enhance performance and cost efficiency

Smart & Sustainable Manufacturing technologies and equipment

Green and lean packaging materials and equipment

Innovate, Integrate and Sustain your application work efficiently with latest tools and techniques

Knowledge sharing sessions on the latest trends, innovations, best practices, challenges and solutions in the construction chemicals market

Latest Standards and Code of practice

Who Should Attend

SCC is intended for anyone who is involved in the production of construction chemicals in India. This includes:

Manufacturers of construction chemicals, such as admixtures, waterproofing, flooring, repair, grouting, drymix etc.

Suppliers of raw materials to construction chemical industries

Formulators or Consultants of Construction Chemicals (R&D)

About CCMA

The Construction Chemicals Manufacturers Association (CCMA) is a national body that represents the interests and concerns of the construction chemicals industry in India. CCMA was established in 2009 with the following main objectives:

- Improve quality usage of construction chemicals by creating awareness among the end-users, contractors, consultants, architects, engineers, etc.
- Skill development of the workforce of the industry for defect free application of Products.
- Identify and find solutions to common problems affecting the industry, such as raw material availability, quality control, environmental compliance, safety standards, etc.
- Represent the industry to central and state governments in policy making and establishing quality standards.

CCMA has members from across the country, comprising of manufacturers, suppliers, distributors, service providers, research institutes, etc. CCMA also collaborates with various national and international organizations such as Construction Development Council of India (CIDC), Bureau of Indian Standards (BIS), Indian Concrete Institute (ICI), Federation of Indian Chambers of Commerce and Industry (FICCI), CII, ASSOCHAM & Permanent member of ECI (Engineering Council of India), etc. to promote the advancement and innovation of construction chemicals in India.

Why to Participate as a Sponsor?

As a raw material supplier of the construction chemicals industry, you play a vital role in the growth and development of this industry. By participating as a sponsor in this conference, you will gain the following benefits:

- Showcase your expertise and solutions to the challenges faced by the manufacturers of construction chemicals.
- Enhance your brand visibility and reputation among the key players in the construction chemicals industry.
- Networking opportunities with the CCMA Members.
- Table Space to showcase your products and services to the attendees and generate leads and enquiries.
- Support the CCMA in its mission to promote the quality, safety and sustainability of construction chemicals in India.
- Ceremony to recognize the contribution and excellence of suppliers and CCMA Members.
